

Sun City Texas Horseshoes, Washers, Shuffleboard (HAWKS Club)

Guidelines for Transitional Operation

Revision Date: April 18, 2020

The following general guidelines will apply:

- Horseshoes and Washers facilities are restricted to Club Members Only during this time
- Pits are available from 8 am – 6 pm daily
- Use of an individual pit will be for Singles Only
- Members must adhere to the following guideline at all times:
 - ***Maintain at least a six (6) foot radius of social distance between individuals and the limiting of gatherings to not more than 10 people in a small area. Additionally maintain rigorous personal hygiene and stay at home if sick.***
- Participants must use and provide their own hand sanitizer and use it at the beginning and conclusion of play.
- Activities will be monitored to assure adherence to these guidelines. If these guidelines are not followed it can result in loss of participation to that individual(s) until we receive an “all clear” from the responsible authorities to resume “normal” activities.
- During games or meeting another member there is to be no physical congratulation or greeting.
- Equipment cleaning supplies will be provided by the club on Tuesdays and Thursdays

Horseshoe guidelines:

- Only 1 member can be on one of the 6 designated available pits. (The other 2 pits will be designated for washers only.)
- The 6 pits will be available for practice between 8:00 am to 6:00 pm except for scheduled Club play on Tuesdays and Thursday from 9:00 am - 10:30 am.
- Games will be played by pitching against someone on an "adjoining" pit.
- This process will provide opportunity for a game, but keep the guideline of only person on a pit.

Horseshoe equipment:

- Horseshoe Equipment is the responsibility of each member.
- Members with their own horseshoes must clean them before putting back into their private carrying case.
- Members who currently don't have their own horseshoes will select a Club pair for their individual use until the transitional guidelines are no longer required.
- Members who use a club pair of horseshoes will be responsible to clean and place these horseshoes in a provided bag marked with their name and stored in the club shed.

Washer guidelines:

- Washers play is available only on the 2 designated pits
- These 2 pits will be available for practice 8:00 am to 6:00 pm, except for scheduled Club play on Tuesdays and Thursday from 9:00 am - 10:30 am.
- They will be tossing their washers to opposite ends of pit for their turn, then changing ends for their next turn. This will provides for both required social distancing and the washers not being touched by the other player.

Washer equipment:

- A Washers set will be assigned to individual club members who play.
- Those members will be responsible for the use, cleaning and storage in their designated location in the club shed.

Shuffleboard guidelines:

- **Not available for play at this time**
